User Story Template

As a [type of user],

I want to [do something],

so that I can [get some benefit]

Refinement #1

12th November 2020

|| =included in sprint #1

Epic Crime Wave stats		Story points/value
	User story	"I would like to be able to examine real time crime statistics in any geographical location in the United Kingdom"
	User story	"I would like to view police crime statistics"
	User story	"I would like to view crime statistics from the national police data. I would like to filter them by post code"
	User story	"I am looking for a new home and I would like to be able to input a post code and see crime stats for the surrounding areas ranked according to safety, this will inform my decision on where to move"
	User story	"I am looking for a new home and I would like to be able to compare crime stats in up to three different regions of the country, this allows me to explore a few alternatives at once"
	User story	"I am interested in what is happening in my area and I would like to see individual crimes marked on a local map and I would like to see details of those crimes, this will inform security measures my household will consider making"
	User story	"I am interested in what crimes are happening in my area and would like to get a general impression of how 'hot' it is compared to other areas up and down the country, this may inform a decision to move area"
	User story	"I am interested in what times various crimes are taking place across the country, this will give me a big picture of national crime patterns and whether there is a particular relationship with time. This may inform security measures my family take"
	User story	"I am interested in what times various crimes are taking place in my area this may inform security measures my family might take"

Epic Crime Wave history		Story points/value
	User story	"I would like to see crime wave stats over time"
	User story	"I would like to see how crime has evolved over time in an area, this will help our neighbourhood group know if crime prevention measures in the area are having a long term impact"
	User story	"I would like to be able to compare how crimes have evolved in an area with the national picture, this may provide our neighbourhood group with evidence with which to lobby local politicians with a view to investing in more crime prevention in our area"

Epic Future Crime Wave		Story points/value
	User story	"I would to be presented with a prediction of future crime patterns over time rather like weather forecasting"
	User story	"I would like to be presented with a projection of future crime rates in any area based on the current historical trends, this will help me"

		plan for my family's future security and where we may choose to live in the future"	
	User story	"I would like to be presented with a forecast of national crime trends over the short, medium and long terms, this will help me lobby Government, locally and nationally on behalf of our community"	X/Medium
	User story	"As a local politician I would like to examine historical trends and future predictions of crime patterns and low level anti-social behaviour in order to properly lobby on behalf of my constituents"	X/High
	User story	"As the editor of our community Facebook page and a local newspaper I would like to be able to present information about crime in our area, it's a hot topic locally and should boost our circulation"	X/High
